

Bapuji Educational Association (Regd.)
Bapuji Institute of Engineering and Technology, Davangere
Department of Information Science and Engineering
Full Stack Development[21CS62]

Academic Year:2023-2024[Even Semester]

Date: 15/07/2024

Conducted a hands-on session on the Django framework for students during the course. After the hands-on session, students were able to develop a simple web application using the Django framework. A web application includes student registration with course details and project registration.
